A BREACH OF PROMISE CARE -A Young woman in Rochester, N. Y., has lately sued a man for breach of promise of marriage, and recovered \$900. The principle evithat he gave the plaintiff his tobageo box, and borrowed a gun of her father, both of which circumstances he thus explained in

"I heard her evidence in regard to my attachment for her. When I would pass by her father's house, she would come out and ask to ride. I never took her out riding but once or twice in my life-once to Penfield and once to Pittsford-I um not talk about marrying her then, or at any other time; I used to go there occasionally to Archbichop Hughes, on his visit to Washborrow the old gentleman's gun, and some-times they 'hollored' at me.

Use or Quarta.-Win. Norton, an intellihome in the southern part of Illinois, has recently been studying the habits of the and the following testimony to the Cincinnati

He observed a small flock commencing at one side of the field, taking about five rows following them regularly through the fields, scratching and picking about every hill, till they came to the other side of the field; then for one thousand sugar maples for this purpose.

A singular marriage recently took place in Dudley, England, the bride being eighty-two, and the bridenroom (her fourteenth husband) sixty.

They came to the other side of the field, then taking another five rows on their return, and thus continuing till he thought they were certainly pulling up the corn. He shot one, and then proceeded to examine the corn ground. On all the ground that they had been over, he found but one stock of sixty.

ere going to manufacture largely then con-big season, and all who want the very best resper in use will do well to cellen sarly.— They have taken quite a number of orders already for next season.—Richmond (is) Palladium, 20th.

THE NEW WONDER.

Peter Josse's Hair Restorative!

THIS Hair Restorative is now acknowlthe Hair and the Scalp, and it has wer dence against the defendant was the feet whereverused Several of our officens have tried if, and spend in the highest forms of the furnitive roperties. The following is one impose the many ertificates just received by the Proprietor —

Mr. P. Josep: -- For several years pinet, from one ause, our hair has been gradually failing out, until attre baldness threatened us. We have tried cawho assured us that it had the effect of beinging a new and vigorous growth of hair upon their boads. We have used it, and its good effects are plainly visfast becoming ball. We cannot recor storative too highly. Yours, truly,
